

**Says**

**Thinks**

How does the  
iphone impact  
the  
environment?

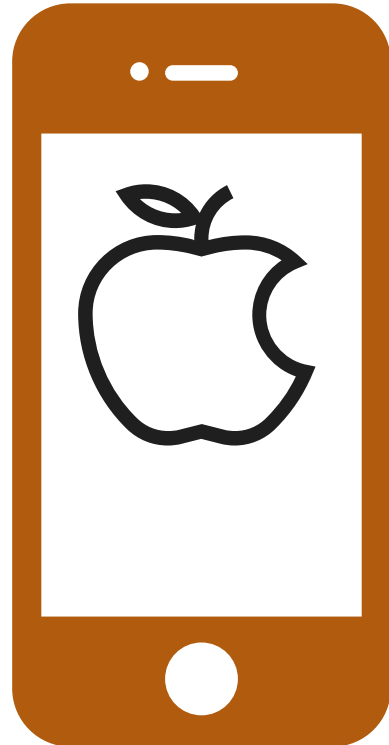

How many  
people are  
apple  
iphone  
users?

What is a  
data driven  
exploration?

Is that smart  
phone be  
used in  
education? In  
what way?

Why do we  
use apple  
iphone?

What's so  
special  
about the  
apple  
iphone?

Apple Iphone User

fix the price  
according  
to their  
usage

Reduce the  
price according  
to use of  
medum cost of  
hartware which  
are used to  
made iphone

The iphone  
made mobile  
wab browsing  
useful for the  
first time.

Reduce the price  
according to  
most simple and  
basic  
functionality  
like bluetooth,  
wifi etc..

It is highly  
responsive  
in every  
way

It works  
and does  
what i  
need.
